Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

G.D. Apte & Co. Chartered Accountants

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial control with reference to the standalone financial statements in place and the operating effectiveness of such control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Emphasis of Matter

We draw attention to the following matters in the Notes to the Standalone financial results:

- a. Management review of certain litigations by and against the Company does not warrant recognition of any provision in the books of account as at March 31, 2025. The company shall continue the review in future and if required carry out the necessary accounting adjustments.
- b. One of the investors of Nandi Economic Corridor Enterprises Limited (NECE), a step-down subsidiary of the Company has in terms of Shareholders' Agreement (SHA) dated December 24, 2010, exercised a default put option of its equity shares held in NECE on the Company, which the Company has denied as wrongful, and has rejected and disputed its invocation. As on the date of approval of these financial statements, the purchase price of such shares of NECE cannot be estimated since invocation of the put option is under dispute.

- c. The toll operations of one of the Material Subsidiaries viz. Nandi Highway Developers Limited (NHDL) have ceased w.e.f September 07, 2024, due to end of term of Concession agreement dated February 05, 1998 and Supplementary agreement dated June 21, 2024 between NHDL, Government of India and Government of Karnataka. Considering the future business plans by the management of NHDL and positive net worth of NHDL, the investment in the said subsidiary is considered good.
- d. Nandi Infrastructure Corridor Enterprises Ltd. (NICE), Nandi Economic Corridor Enterprises Ltd. (NECE) and Nandi Highway Developers Limited (NHDL) which are the subsidiaries of the Company, have not yet submitted the audited financial statements for the year ended March 31, 2025. The Company will publish the consolidated financial results for the quarter and year ended March 31, 2025, once the financial statements of all the above-mentioned subsidiaries are made available to the Company.

Our opinion is not modified in respect of the above matters.

Other Matter

The quarterly standalone financial results for the quarter ended March 31, 2025 are the derived figures between the audited figures for the year ended March 31, 2025 and the published year-to-date figures up to December 31, 2024, being the date of the end of the third quarter of the current financial year, which were subjected to limited review by us as required under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Our opinion is not modified in respect of the above matter.
