Notes:

- 1 Power generation business is subject to seasonal variations in winds, hence the results of the quarter do not necessarily indicate trend for full years' performance.
- 2 The above results were reviewed by the Audit Committee and approved by the Board of Directors of the Company at its meeting held on 15th May, 2015.
- 3 Certain litigations by and against the Company and subsidiaries of the Company are pending in various Courts, and the matter is subjudice. No cognizance thereof is taken in the above results, pending final outcome of the cases.
- 4 The Company is required to apply for Open Access Permission to Maharashtra State Electricity Distribution Co. Ltd., (MSEDCL) every financial year. Upon receipt of the Open Access Permission, the credit notes are issued by MSEDCL for power generated at the Company's Wind Farm at Satara which are subsequently adjusted in the power bill of the customer in Pune.

The Company has applied for Open Access Permission to MSEDCL for the financial year 1st April 2014 to 31st March, 2015 well in time. However, due to certain policy issues at MSEDCL, it has still not granted Open Access Permission to the Company for FY 2014-15. Consequently credit notes for the period starting from 1st April, 2014 are awaited from MSEDCL.

Pending issuance of these credit notes and based on earlier years' experience, the Company has recognized revenue from power generation during 1st April, 2014 to 31st March, 2015 at the average power tariff rate of the previous year.

In the event of non-receipt of the Open Access Permission and consequent sale of power to MSEDCL, as per case no. 58 of 2008 issued by MSEDCL, the profits of the Company for the period 1st April, 2014 to 31st March 2015 would be lower by about Rs. 405.40 Lakhs net of tax, out of this Rs. 25.48 Lakhs pertains to current quarter.

- 5 During the period, the operations of wind farm of the Company were partially affected due to the local issues at the wind farm site as also disputes with the service provider. The power generation and corresponding income from operation is lower due to these disturbances. The wind farm is functioning normally since April 2015.
- 6 Pursuant to the Companies Act, 2013 ("the Act"), the Company had, during the quarter ended December 31, 2014, revised depreciation rates on fixed assets as per the useful life specified in Schedule II of the Act. Due to this transitional provision as per amended note 7(b) of the Schedule II, charged to Profit and Loss account.
- 7 Previous year / period's figures are regrouped wherever necessary.

Limited Review Report

**Review Report to
The Board of Directors
BF Utilities Ltd.**

We have reviewed the accompanying statement of unaudited financial results of BF Utilities Ltd. ('the Company') for the quarter ended 31st March 2015 ("the Statement"), except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the management and not been reviewed by us. This Statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited financial results prepared in accordance with, recognition and measurement principles laid down in Accounting Standard 25 'Interim Financial Reporting', specified under the Companies Act, 1956 [which are deemed to be applicable as per Section 133 of the Companies Act, 2013, read with rule 7 of the Companies (Accounts) Rule, 2014], and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.
